FIRST TIME EVER OFFERED

This property provides a wonderful opportunity to enter the popular West Pymble area.

The home was designed by an architect and is constructed of double-brick with concrete floors. Although the décor is a little dated, it offers great potential for anyone wishing to renovate or rebuild (S.T.C.A.).

Ticking a lot of boxes the land is a good size (approx. 1050 sqm) with a wide frontage of approx. 25 metres.

It has a generous in-ground pool with enough garden left to create a level playing space for children. The kitchen has been renovated with a pantry and island bench and there is plenty of storage.

Land Size : 1050 sqm
